Pixtough

Inspire the Innovation

Revolutionizing the Interactive Learning & Workspace

Empower Learning and Collaboration with Each touch with Pixtough

Pixtough are transforming the way we communicate, collaborate, and educate. Whether you're in a corporate boardroom, a university lecture hall, or a primary school classroom, these dynamic tools bring a new level of engagement and efficiency to your environment.

Why Choose Pixtough

Versatile Applications

Perfect for classrooms, lecture halls, training rooms, and corporate offices, interactive whiteboards adapt to your needs.

Affordability:

Our interactive whiteboards deliver top-tier technology at an accessible price, making it easy for all to enhance their spaces affordably.

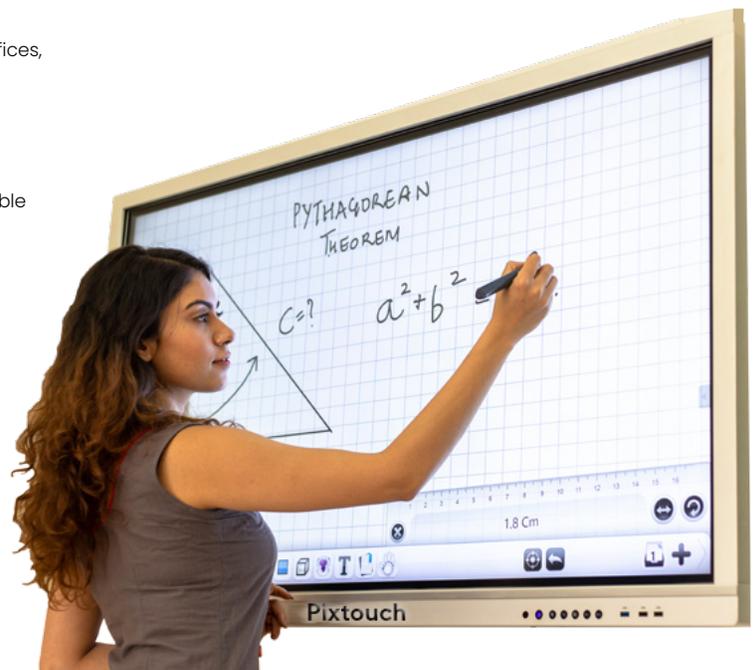

3-Year Warranty:

Enjoy peace of mind with our 3-year warranty, ensuring long-lasting performance and reliable support.

Boost Engagement:

In educational settings, students become active participants in their learning journey, while corporate teams experience more focused and effective meetings.

4K Resolution

This **Pixtough** Interactive Flat Panel gives high engagement and best-in-class performance. Perfectly suitable for online teaching with its 4K display quality. Multiple interfaces with passive dual nibs. This **Pixtough** Interactive Flat Panel comes with OPS (optional) and gives you a natural writing experience.

B Series Product Specifications

LCD size:	PT65", PT75", PT86"
Resolution:	3840*2160 4K resolution
Pixel pitch:	0.105mmx0.315mm (55")
Brightness:	350cd/m ² (typ.)
Contrast Ratio:	4000:1 (typ.)
Color Depth:	16.7M (8bit)
Response time:	8ms (typ.)
Viewing area:	1209.6mm x 680.4mm(55")
Visual Angle:	178°(H) / 178°(V)
LCD life:	50,000 hrs (typ.)
CPU:	Amlogic T982 ARM Cortex-A55*4 @ 1.9GHz
Android OS:	Android 11.0 / Anroid 13.0
RAM:	4GB + 32GB / 8GB + 128GB

Built in camera:	Optional (13/48 MP with 8mic)
WIFI:	2.4g & 5g a/b/g/n + ac / Bluetooth 5.0
Speaker:	15W*2/15W*2+20W
Touch point:	20 points Android, 40 points Windows
